

**Monash University**  
**Department of Civil Engineering**  
**Postgraduate Program in Infrastructure Engineering and Management**  
**Application for Transfer of Credit / Complementary Study**

**Criteria for Transfer of Credit / Complementary Study**

If you have been awarded any degree based on the units you are seeking credit transfer then you are not eligible for credit transfer. Transfer of credit is given for those units not considered previously for any degree.

If you have **not been awarded the degree** then please proceed with your application.

Use this form to apply for credit towards the Infrastructure Engineering and Management Postgraduate Program for postgraduate units completed at other Universities.

**Student Name:**..... **ID No:** .....

**Address:** .....

**Current Email Address:** .....

I wish to apply for transfer of credit for:

(insert unit/subject code and name)

(insert name of Institution where the unit/subject was / will be completed)

If you have completed or will complete units/subjects, the following checklist identifies the documentation to be included with this application form:

Unit Syllabus (ie., a summary of the content of the unit)

Details of the course within which that unit fits (so we can establish how many credit points it is worth)

Assessment mix, including the number, size and weighting of assignments, and the nature, duration and weighting of the examination

Examination **MUST BE** worth at least 50% of the assessment

Transcript of results (certified copies or originals)

**Applicant's Signature:**

**Date:**
