**“Operating a Bus and Coach Business - *Insights and Practice*”
by Ann Brewer and David Hensher**

Operating a Bus and Coach Business is a comprehensive and practical guide to good management and decision-making in a bus and coach business. It is the product of the most rigorous and experienced teaching program of transport management in Australia. In a well-structured and clearly written text, the authors anticipate the problems and issues faced by managers and provide fresh and practical insights to address them.
